

# **Clave Song**

*From Feeling The Beat*

Claves are tapping in the air,  
Play them together anywhere,  
Claves are tapping in the air,  
Tapping on the beat today,  
Tapping on the beat today.

Claves are tapping end to end,  
Tapping together beside my friend,  
Claves are tapping end to end,  
Tapping on the beat today,  
Tapping on the beat today.

Claves are tapping side to side,  
Loudly or softly, you decide,  
Claves are tapping side to side,  
Tapping on the beat today,  
Tapping on the beat today.

Claves are tapping on the floor,  
Making a loud sound, that's for sure,  
Claves are tapping on the floor,  
Tapping on the beat today,  
Tapping on the beat today.

Claves are tapping on my toes,  
Ever so gently on my toes,  
Claves are tapping on my toes,  
Tapping on the beat today,  
Tapping on the beat today.
