

Feeling The Beat

From Feeling The Beat

Clapping my hands, (echo),
Feeling the beat, (echo),
Patting my nose, (echo),
Feeling the beat, (echo),
Wriggling my hips, (echo),
Feeling the beat, (echo),
Bending my knees, (echo),
Feeling the beat (echo).

Walking all together,
Walking around the room,
Walking all together,
Feeling the beat with me.

Clapping my hands...

Stamping all together,
Stamping around the room,
Stamping all together,
Feeling the beat with me.

Clapping my hands...

Jumping all together,
Jumping around the room,
Jumping all together,
Feeling the beat with me.

Clapping my hands...

Hopping all together,
Hopping around the room,
Hopping all together,
Feeling the beat with me.

Clapping my hands...
