

# **Monkey Song**

*From Feeling The Beat*

Monkey likes to shake everyday,  
Monkey likes to swing and sway,  
Monkey likes to eat bananas,  
Monkey likes to sleep all day.  
Monkey likes to jump everyday,  
Monkey likes to turn around,  
Monkey likes to eat bananas  
And sit down quietly on the ground.

He's got toes that look like fingers,  
And a couple of hairy knees,  
And a long, strong, curly tail,  
He uses while swinging through the trees.  
He's got toes that look like fingers,  
And a couple of hairy knees,  
And a long, strong, curly tail,  
He uses while swinging through the trees.

Monkey likes to shake everyday...
