

Tropical Fish

From I Can Play It

Bubble, bubble, bubble, goes the water in my fish tank,
Bubble, bubble, bubble, on and on through the night,
Bubble, bubble, bubble, a repeated little pattern,
Bubble, bubble, bubble, now I just can't sleep.

White Gourami, Penguin Tetras too,
Floating round inside my mind,
Neons shining, don't they ever sleep,
A Guppy smiles and waves as he floats by.
