

# I'm A Train

Janet Channon

All Aboard! All Aboard!

Clickety clack, clickety clack,  
Driving on the railway track,  
Clickety clack, clickety clack,  
All the way there and all the way back.

I'm a train, I'm a train,  
Driving through the sunshine,  
Driving through the rain,  
I'm a train, I'm a train,  
Driving through the tunnels,  
Back to the station again.

*(Repeat)*

Back to the station again  
Back to the station again.
