

Rock 'n' Roll All Day

Wendy Jensen

Play together here we go,
Now there's something you should know,
Play together with my song,
We improvise, we can't go wrong,
Playing now that's what I say,
We're playing rock 'n' roll all day.

Playing softly here we go,
Now there's something you should know,
Playing softly with my song,
We improvise, we can't go wrong,
Softly now that's what I say,
We're playing rock 'n' roll all day.

Playing loudly here we go,
Now there's something you should know,
Playing loudly with my song,
We improvise, we can't go wrong,
Loudly now that's what I say,
We're playing rock 'n' roll all day.

Playing slowly here we go,
Now there's something you should know,
Playing slowly with my song,
We improvise, we can't go wrong,
A little faster now I say,
We're playing rock 'n' roll all day.

Play together here we go,
Now there's something you should know,
Play together with my song,
We improvise, we can't go wrong,
Playing now that's what I say,
We're playing rock 'n' roll all day.
