

# Lots Of Legs Spider

Janet Channon

Lots of legs spider came to visit me,  
Lots of legs spider tickling my knee,  
Lots of legs spider came to visit me,  
Lots of legs spider tickling my knee.

Who's that strange hairy guy,  
Wiggling his legs as he walks on by?  
Lots of legs and lots of feet,  
Here's the spider coming down the street.

Lots of legs spider doing no harm,  
Lots of legs spider tickling my arm,  
Lots of legs spider doing no harm,  
Lots of legs spider tickling my arm.

Who's that strange hairy guy,  
Wiggling his legs as he walks on by?  
Lots of legs and lots of feet,  
Here's the spider coming down the street.

Lots of legs spider getting rather chummy,  
Lots of legs spider tickling my tummy,  
Lots of legs spider getting rather chummy,  
Lots of legs spider tickling my tummy.

Who's that strange hairy guy,  
Wiggling his legs as he walks on by?  
Lots of legs and lots of feet,  
Here's the spider coming down the street.

Lots of legs spider tickles as he goes,  
Lots of legs spider tickles my toes,  
Lots of legs spider tickles as he goes,  
Lots of legs spider tickles my toes.

Who's that strange hairy guy  
Wiggling his legs as he walks on by?  
Lots of legs and lots of feet,  
Here's the spider coming  
down - - - the - - - street.
