

Cold Hands

From Pukeko Stomp

My hands are very chilly,
I think they're turning blue,
I need something to warm them up,
What can I do?

I can rub them, rub them,
Wriggle them around,
I can shake them, shake them,
Bang them on the ground.
I can rub them, rub them,
Wriggle them around,
I can shake them, shake them,
Bang them on the ground.

My feet are very chilly,
I think they're turning blue,
I need something to warm them up,
What can I do?

I can rub them...

My hands and feet are chilly...

I can rub them...

(Faster)
My hands and feet are chilly...

I can rub them...

(Much Faster)
I can rub them...
