

# **Then I Stop**

*From Pukeko Stomp*

I walk and walk, my two feet like to walk and then I stop.  
I walk and walk, my two feet like to walk and then I stop.  
I walk and walk, my two feet like to walk and then I stop.  
I walk and walk, my two feet like to walk and then I stop.

I jump and jump, my two feet like to jump and then I stop...

I jog and jog, my two feet like to jog and then I stop...

I skip and skip, my two feet like to skip and then I stop...
