

# Pat-a-cake Polka

*From Pukeko Stomp*

Walking down the road on a sunny day,  
Saw a friend I hadn't seen in a while,  
We shook both hands, danced around in a circle,  
And back the other way.

We did the pat-a-cake polka with our hands,  
Had so much fun we thought we'd do it again,  
We waved goodbye, turned and walked the other way.  
Oo oo ah ah ah,  
Oo oo ah ah ah,  
Oo oo ah ah ah

Jumping down the road on a sunny day  
Saw a friend I hadn't seen in a while,  
We shook both hands, danced around in a circle,  
And back the other way.

We did the pat-a-cake polka  
Had so much fun we thought we'd do it again,  
We waved goodbye, turned and walked the other way.  
Oo oo ah ah ah,  
Oo oo ah ah ah,  
Oo oo ah ah ah

Jogging down the road on a sunny day...

We did the pat-a-cake polka...

Grooving down the road on a sunny day...

We did the pat-a-cake polka...

Moving down the road on a sunny day...

We did the pat-a-cake polka...
