

It's A Parade

From Pukeko Stomp

It's a parade, it's a parade,
Marching girls with marching feet,
See them marching down the street,
Music sounding very grand,
Listen to the marching band.

I can hear the big drum,
(Boom, boom, boom, boom),
Can you hear the big drum?
(Boom, boom, boom, boom).

I can hear the woodblock,
(Tap, tap, tap, tap),
Can you hear the woodblock?
(Tap, tap, tap, tap).

It's a parade...

I can hear the guiro,
(Scrape, scrape, scrape, scrape),
Can you hear the guiro?
(Scrape, scrape, scrape, scrape).

I can hear the shaker,
(Shake, shake, shake, shake),
Can you hear the shaker?
(Shake, shake, shake, shake).

It's a parade...

I can hear the wood block...
I can hear the guiro...

It's a parade...

I can hear the shaker...
I can hear the big drum...

It's a parade...
