

Crab Walk

From Splish Splash Splosh

Through the tunnel and round the mountain,
Through the tunnel and round the mountain,
Through the tunnel and round the mountain,
Rolled the little ball today.

Rolling slowly up the mountain,
Rolling slowly up the mountain,
Rolling slowly up the mountain,
Resting underneath your chin.

Do the crabwalk,
Do the crabwalk,
Don't let it roll away,
Do the crabwalk,
Do the crabwalk,
Rolling back down today.

Through the tunnel and round the mountain,
Through the tunnel and round the mountain,
Through the tunnel and round the mountain,
Rolled the little ball today.

A little quicker up the mountain,
A little quicker up the mountain,
A little quicker up the mountain,
Resting underneath your chin.

Do the crabwalk,
Do the crabwalk,
Don't let it roll away,
Do the crabwalk,
Do the crabwalk,
Rolling back down today.

Through the tunnel and round the mountain.....

Rolling quickly up the mountain.....

Do the crabwalk.....

Through the tunnel and round the mountain....
