

Criss Cross

From Splish Splash Splosh

You do the one knee pat, just like that,
Do the other knee pat, just like that,
This knee, this knee, that knee, that,
Criss cross, criss cross, fancy that.

You do the one shoulder pat, just like that,
Do the other shoulder pat, just like that,
This shoulder, this shoulder, that shoulder, that,
Criss cross, criss cross, fancy that.

You do the one foot pat, just like that,
Do the other foot pat, just like that,
This foot, this foot, that foot, that,
Criss cross, criss cross, fancy that.

You do the one elbow pat, just like that,
Do the other elbow pat, just like that,
This elbow, this elbow, that elbow, that,
Criss cross, criss cross, fancy that.
