

# Follow Where I Lead You

Wendy Jensen

Jump, jump, jump I'm a kangaroo,  
Jump, jump, jump I say hello to you,  
Jump, jump, jump I'm a kangaroo,  
Will you follow me?

Follow where I lead you,  
Follow where I lead you,  
Follow where I lead you,  
And now I'm changing.

Stamp, stamp, stamp I'm a dinosaur,  
Stamp, stamp, stamp all over the floor,  
Stamp, stamp, stamp I'm a dinosaur,  
Will you follow me?

Follow where I lead you,  
Follow where I lead you,  
Follow where I lead you,  
And now I'm changing.

Fly, fly, fly I'm a butterfly,  
Fly, fly, fly way up in the sky,  
Fly, fly, fly I'm a butterfly,  
Will you follow me?

Follow where I lead you,  
Follow where I lead you,  
Follow where I lead you,  
And now I'm changing.

Creep, creep, creep I'm a little mouse,  
Creep, creep, creep all over the house,  
Creep, creep, creep I'm a little mouse,  
Will you follow me?

Follow where I lead you,  
Follow where I lead you,  
Follow where I lead you,  
Follow where I lead you,  
Follow where I lead you,  
And then sit down.
