

Seagulls

From Splish Splash Splosh

I was eating my picnic by the sea,
When a seagull came to visit me.
He squawked and he screeched
And he said "Oh Yum!"
So I threw that seagull a tasty crumb.

One seagull dining with me,
One seagull dining with me.

I was eating my picnic by the sea,
When a seagull came to visit me.
He squawked and he screeched
And he said "Oh Yum!"
So I threw that seagull a tasty crumb.

Two seagulls dining with me,
Two seagulls dining with me.

They squawked and they screeched
And they started to fight,
They squawked and they screeched
For one last bite.
They squawked and they screeched
Till I shouted "Hey!"
They squawked and they screeched
And they flew away.
