

# Yahoo Hooray

*From Swing Thing*

A hat on my head and now I'm set:

Yahoo, yahoo, hurray, hurray,  
It's going to be a sunny day  
I can go outside to play,  
Hurray, hurray, hurray.

What shall I do outside in the sun?  
I'll climb a tree, that will be fun,  
I'll climb a tree, that will be fun,  
Hurray, hurray, hurray.

Yahoo, yahoo, hurray, hurray...

What shall I do outside in the sun?  
I'll ride my bike, that will be fun  
I'll ride my bike, that will be fun  
Hurray, hurray, hurray.

Yahoo, yahoo, hurray, hurray...

What shall I do outside in the sun?  
Throw a ball, that will be fun...

Yahoo, yahoo, hurray, hurray...

What shall I do outside in the sun?  
Bounce on the tramp, that will be fun...

Yahoo yahoo, hurray, hurray...

What shall I do outside in the sun?  
Sleep in the shade, that will be fun...
