

A Rhythm Of Your Own **- movement**

From Swing Thing

Can you clap your hands,
Then clap a rhythm of your own?
Can you pat your knees,
Then pat a rhythm of your own?
Can you stamp your feet,
Then stamp a rhythm of your own?
Can you pat your cheeks,
Then pat a rhythm of your own?

Walking altogether, walking on the beat,
Waving altogether,
Gee you look so neat.

Can you clap your hands,
Then clap a rhythm of your own?
Can you pat your knees,
Then pat a rhythm of your own?
Can you stamp your feet,
Then stamp a rhythm of your own?
Can you pat your cheeks,
Then pat a rhythm of your own?

Swinging arms altogether, swinging to the beat,
Hopping altogether,
Gee you look so neat.

Can you clap your hands.....
