

Roll The Ball

From Swing Thing

Roll the ball, roll the ball, roll it along,
Roll the ball, roll the ball, roll with my song,
Because it is round it will roll on the ground,
Roll the ball, roll it along.

Bounce the ball, bounce the ball, bounce it along,
Bounce the ball, bounce the ball, bounce with my song,
Because it is round, it will bounce on the ground,
Bounce the ball, bounce it along.

Throw the ball, throw the ball, little wee throws,
Throw the ball, throw the ball, that's how it goes,
Throw to someone and then back it will come,
Throw the ball, that's how it goes.

Roll the ball, roll the ball, roll it along,
Roll the ball, roll the ball, roll with my song,
Because it is round it will roll on the ground,
Roll the ball, roll it along.
