

# See My Shaker

*By Wendy Jensen*

See my shaker,  
My special shaker,  
I play it on the steady beat.  
I can shake it,  
Shake and shake it,  
I shake it all through the day.

See my shaker,  
My special shaker,  
I play it slowly on the beat...

See my shaker,  
My special shaker,  
I play it faster on the beat...

See my shaker,  
My special shaker,  
I play it really fast on the beat.  
Play it really fast,  
Play it really fast,  
Play it really fast, really fast,  
Really fast, really fast,  
Really fast, really fast, stop!
