

This Little Teddy of Mine

By Wendy Jensen

This little Teddy of mine likes to jump,
This little Teddy of mine likes to jump,
This little Teddy of mine likes to jump up high,
And hide behind my back.

Teddy dances in front of me,
Teddy dances right on my knee,
Teddy dances up on my head,
Then hides behind my back.

This little Teddy of mine likes to fly,
This little Teddy of mine likes to fly,
This little Teddy of mine likes to fly up high,
And hide behind my back.

Teddy dances in front of me,
Teddy dances right on my knee,
Teddy dances up on my head,
Then hides behind my back.

This little Teddy of mine likes to swing,
This little Teddy of mine likes to swing,
This little Teddy of mine likes to swing up high,
And hide behind my back.
