

Can You Bounce?

By Wendy Jensen

Can you bounce, bounce, bounce,
On my knees this way?

Bounce, bounce,

All through the day.

Can you bounce, bounce, bounce,
On my knees this way?

And then fall off!

Can you wobble very slowly,
On my legs this way?

Wobble, wobble,

All through the day.

Can you wobble very slowly,
On my legs this way?

And then fall off!

Can you bounce, bounce, bounce...

Can you wobble very slowly...

Can you bounce very quickly...
