

# Wash That Body

*By Janet Channon*

I'm going to wash that body  
And make it all clean,  
The cleanest little body,  
That the world has ever seen,  
Make it all soapy  
And wash it all off,  
With lots of water and a  
Clean face cloth.

I'm going to wash that body...

I'm going to  
Wash those ankles. (echo),  
Wash those toes, (echo),  
Wash those shoulders, (echo),  
Wash elbows, (echo),  
Wash that wrist, (echo),  
Wash that thumb, (echo),  
Wash that back, (echo),  
And wash that tum, (echo).

I'm going to wash that body  
And make it all clean,  
The cleanest little body,  
That the world has ever seen,  
Make it all soapy  
And wash it all off,  
With lots of water and a  
Clean face cloth.

I'm going to wash that body...

I'm going to  
Wash those cheeks, (echo),  
Wash those eyes, (echo),  
Wash those knees, (echo),  
Wash those thighs, (echo),  
Wash that neck, (echo),  
Wash that chin, (echo),  
Wash all over, wash all over,  
All over that skin,  
Wash all over, wash all over,  
All over that skin,  
Wash all over, wash all over,  
All over, all over that skin.
