

Flying

From Teddy Jumps

Flying,
Watch me go high,
I am flying,
High in the sky,
I am flying,
Riding along in the air.

Flying,
Watch me go high,
I am flying,
High in the sky,
I am flying,
Riding along anywhere.
Cruising down low,

Watch where they go,
Down, down,
Down by the ground,
Lifting the nose,
Watch how it goes,
Rise, rise,
Up to the sky. (I am)

Flying,
Watch me go high,
I am flying,
High in the sky,
I am flying,
Riding along anywhere.

Cruising down low...

Flying,
Watch me go high,
I am flying,
High in the sky,
I am flying,
Riding along anywhere.
