

Good Night, Sleep Tight

From Teddy Jumps

Baby bunny sleeps in a hole in the ground
Baby bunny sleeps without a sound.
Baby bunny sleeps in a hole in the ground,
Good night, sleep tight.

Baby bird sleeps in a nest in a tree,
Baby bird sleeps so quietly.
Baby bird sleeps in a nest in a tree,
Good night, sleep tight.

I have a bed just right for me,
I don't sleep in a hole or a tree.
I have a bed just right for me,
Good night, sleep tight.
