

Tired Teddy

From Wriggle and Jiggle

Tired Teddy, I'll sing you to sleep,
Snuggle in here beside me,
Tired Teddy, I'll sing you to sleep,
Snuggle in here with me.

I'll sing you a song of sunshine,
I'll sing you a song of rain,
What ever the weather tomorrow,
We'll be singing again.

Tired Teddy, I'll sing you to sleep,
Snuggle in here beside me,
Tired Teddy, I'll sing you to sleep,
Snuggle in here with me.

(Instrumental)

Tired Teddy, I'll sing you to sleep,
Snuggle in here beside me,
Tired Teddy, I'll sing you to sleep,
Snuggle in here with me.

I'll sing you a song of sunshine,
I'll sing you a song of rain,
What ever the weather tomorrow,
We'll be singing again.

Tired Teddy, I'll sing you to sleep,
Snuggle in here beside me,
Tired Teddy, I'll sing you to sleep,
Snuggle in here with me. (*Last line x3*)
