

Turning

From Wiggle and Jiggle

Turning, turning, turning slowly,
Eyes can focus as I go.
I can notice sights and sounds,
Turning slowly, turning round.

I am up the right way round,
Now I'm tipping upside down,
Back again the right way round,
Now I'm tipping upside down.

I am up the right way round,
Now I'm tipping upside down,
Back again the right way round,
Now I'm tipping upside down.

(Instrumental bars)

Turning, turning, turning slowly,
Eyes can focus as I go,
I can notice sights and sounds,
Turning slowly, turning round.
