

Bright Balloon

From Wriggle and Jiggle

Keep it up, bright balloon,
Keep it right up high,
Keep it up bright balloon,
In the sky,
You can pat it, you can blow it,
You can catch it, you can throw it,
Keep it up, keep it up,
And watch it fly.

Use my hands, use my feet,
Keep it up, this is neat,
Use my hands, use my feet,
Keep it high,
It's a beautiful balloon,
Keep it up in the room,
It's a beautiful balloon,
Watch it fly.

Catch it, squeeze it,
In between your knees it,
Hold it, shake it,
Careful not to break it,
Walk it, squeeze it,
In between your knees it,
Where will you take it?
Careful not to break it!
