

## Over and Under

*From Wiggle and Jiggle*

I make an archway with my knees,  
Teddy jumps over,  
Teddy jumps over,  
Teddy jumps over,  
Can you see?  
I make an archway with my knees,  
Teddy jumps over happily.

I make an archway with my knees,  
Teddy wriggles under,  
Teddy wriggles under,  
Teddy wriggles under,  
Can you see?  
I make an archway with my knees,  
Teddy wriggles under happily.

Over and under,  
Over and under,  
Over and under,  
Sing along,  
Over and under,  
Over and under,  
Over and under,  
And gone!
