

Puppet Likes Dancing

From Wiggle and Jiggle

Puppet likes dancing here on my knee,
Knee, knee, knee, my knee, knee, knee.
When he's tired he goes to sleep.

Puppet likes dancing here on my heel,
Heel, heel, heel, my heel, heel, heel,
Knee, knee, knee, my knee, knee, knee.
When he's tired he goes to sleep.

Puppet likes dancing here on my hip,
Hip, hip, hip, my hip, hip, hip,
Heel, heel, heel, my heel, heel, heel,
Knee, knee, knee, my knee, knee, knee.
When he's tired he goes to sleep.

Puppet likes dancing here on my wrist,
Wrist, wrist, wrist, my wrist, wrist, wrist,
Hip, hip, hip, my hip, hip, hip,
Heel, heel, heel, my heel, heel, heel,
Knee, knee, knee, my knee, knee, knee.
When he's tired he goes to sleep.

Puppet likes dancing here on my neck,
Neck, neck, neck, my neck, neck, neck,
Wrist, wrist, wrist, my wrist, wrist, wrist,
Hip, hip, hip, my hip, hip, hip,
Heel, heel, heel, my heel, heel, heel,
Knee, knee, knee, my knee, knee, knee.
When he's tired he goes to sleep.
