

# I Want To Be Your Friend

*From You've Got To Clap*

I want to be your friend, I want to be your friend  
And WRIGGLE around with you,  
I want to be your friend, I want to be your friend  
And BOUNCE around with you,  
I want to be your friend, I want to be your friend  
And TWIST around with you,  
I want to be your friend, I want to be your friend  
'Cause you can DANCE it too.

We can walk around all day,  
Walking, walking, what do you say?  
We can walk around all day  
'Cause you and I are friends.

I want to be your friend...  
We can strut around all day,  
Strutting, strutting, what do you say?  
We can strut around all day  
'Cause you and I are friends.  
I want to be your friend...
