

The Beach

From You've Got To Clap

I went down to the beach and what did I find?
I found some shells to play in time.

Playing the beach sound 1, 2, 3,
Playing the beach sound, you and me,
Playing the beach sound, 1, 2, 3,
Playing the beach sound, you and me.

I went down to the beach and what did I find?
I found some sand to play in time.

Playing the beach sound quietly,
Playing the beach sound, you and me,
Playing the beach sound, quietly
Playing the beach sound, you and me.

I went down to the beach and what did I find?
I found some rocks to play in time.

Playing the beach sound so loudly
Playing the beach sound, you and me,
Playing the beach sound so loudly,
Playing the beach sound, you and me.

Playing the rocks that came from the beach
1, 2, 3, 4, 5 beats each.

Playing the sand that came from the beach
1, 2, 3, 4, 5 beats each.

Playing the shells that came from the beach
1, 2, 3, 4, 5 beats each.
