

# Hello Hello

*From You've Got To Clap*

Hello, hello  
Hello, hello,  
Wriggle your fingers  
Wriggle your toes,  
Hello, hello,  
Hello, hello,  
Wriggle your knees and  
Wriggle your nose.

Dance and sing with you  
Round the ring with you,  
Songs to share with you,  
Everywhere,

Dance and sing with you,  
Round the ring with you,  
Songs to share with you,  
Everywhere.
