

Let's Pretend

From You've Got To Clap

Let's pretend that there is
Something, something,
Special, special,
In the box, in the box,
Use imagination,
Something, something,
Special, special,
Something in the box today.

Then open the box,
Take out something,
Can you mime us what it does?

(instrumental break)

Can anybody guess?
It's time to pass it on.
