

Winter

From You've Got To Clap

Raindrops falling from the trees.
I have a cold in my head and I sneeze (Archoo).
If I jump in a puddle then I get wet feet,
If I slide in the mud I get a muddy seat,
'Cause it's winter,
A chilly, willy, wet and windy day.

Few leaves hanging from the trees.
I think my toes and my fingers might freeze, (brrrr)
I wear a coat and a hat to make me feel so warm
And boots on my feet when I go out in a storm,
'Cause it's winter,
A chilly, willy, wet and windy day.

Raindrops falling from the trees.
I have a cold in my head and I sneeze (archoo)
If I jump in a puddle then I get wet feet,
If I slide in the mud I get a muddy seat,
'Cause it's winter,
A chilly, willy, wet and windy day.
